Parents-

This fall, starting August 6th, we are going to do Children's church a bit different. All children will attend the 8:45am service to begin with. During the service, 1st-3rd grade will be dismissed to children's church before Pastor Derek starts preaching.

There are several reasons for this change.

First, this will give them a great opportunity to learn how to sit and learn in Sunday morning service. A child shouldn't have to wait to attend a Sunday morning service until they are in the youth.

Second, it is hard to teach 1st-6th grade all together as they don't learn on the same level. This will give the younger children a chance to start learning what worship and church is about and the older children to experience what worship and church is about.

Some may be afraid this may effect which service the parents go to. If a parent attends Sunday school the first hour and this is an issue, please come to me and we will make sure your child has someone responsible to sit with in a special section together.

I want this transition to go as smoothly as possible and I will be glad to help in any way I can.

In Him-  
Stacey Pitts  
Director of Preschool and Children's Ministries
