

PRESCHOOL CHECK-IN PROCEDURE

Here at First Baptist, we consider your child's safety a top priority. That's why we have an organized check-in procedure. It is also why we have been careful in selecting our teachers and those who stand behind the check-in desk. Preschoolers spend both hours (8:45 and 10:00) on the preschool hall. These are two hours of Sunday School—a Part A and Part B. So, whether you attend the 8:45 Worship Service and then Sunday School, or vice-versa, your preschooler will be safe, having a great time, and learning about Jesus in both hours.

Here's where you partner with us in making this process smooth and enjoyable for you and your preschooler:

- (1) Our First Impressions Team will greet you as you enter the building. Team members are identifiable by their name tags and they will gladly show you the way to the preschool hall.
- (2) As you enter the hall, there is a check-in desk staffed by a member of our Preschool Security Team. She is there to serve you and can answer any questions that you may have!
- (3) The Preschool Security Team member will check you in and show you your preschooler's classroom. Your preschooler will receive a name badge and you will receive a parent card that lets the teachers know that you are the parent/guardian of your preschooler. Keep this parent card with you throughout Sunday School and Worship!
- (4) If you are a first time guest, please fill out the form provided at the sign-up desk and let us know of any allergies and/or specific needs and instructions.
- (5) There are colored arrows pointing to each age-graded class. Parents walk their preschoolers to the room, following the appropriate arrow. Sunday School teachers greet preschoolers as they enter their classrooms. The first time or two, some preschoolers experience a little separation anxiety, but once parents are out of sight, they settle right in (but if not, we'll come find you)! Remember, "Quick goodbyes make for drier eyes."
- (6) Once a parent or guardian joins one of our Sunday School classes, his or her preschooler will then be automatically added to the Preschool Sunday School member list.
- (7) When it's time to go home, you will come back to the check-in desk, sign a form, and then take your part of the name badge to the appropriate Sunday School teacher. This lets the teacher know that you are the correct parent/guardian.

Again, your preschooler's safety and experience is a top priority here at FBC. Also, know that our First Impressions Team and Preschool Security Team work closely together in making this smooth, safe, and a pleasant experience.
